Review of Foundation Report

New Business:

- **Policy Review: Purchasing Policy:** The Library Purchasing Policy was reviewed and approved with no changes to be made at this time. (/). Liz submitted this policy to Cami in February 2024 for review by the City Attorney. The city is working on creating a purchasing policy so we may need to revisit this policy at a later date.

Director's Report July 2024

In July I attended regular meetings with the City Council, a Department Head Zoom meeting, and the Solon Public Library Foundation. The Friends of the Library do not meet in July. I will submit the FY24 Direct State Aid, InterLibrary Loan, and Open Access Reports to the State Library of Iowa prior to the July 31, 2024 deadline.

I also attended a meeting regarding the newly formed Solon History Foundation led by Cathy Cilek at Solon City Hall. The Library currently stores some historical records and archives in the basement and the Foundation is interested in additional storage space and the ability to sort and organize items as they receive additional historical materials. This topic may be a future agenda item for the Board's consideration of their request regarding the library basement. This may also require an update to the Basement Use Policy.

In response to recent storms and tornado warnings in the area, we created a procedure for extreme weather situations with input from the City of Solon administration. This procedure has been added to our Staff Process Guide and all staff have been trained. I have attached a copy of the procedure and the signage that will be placed on the front door in case of a weather emergency to this report.

Our Iowa Libraries Adventure Pass is available for Solon community patrons over 18 with an active library account to visit area attractions (Des Moines Children's Museum, Science Center of Iowa, and Quad Cities Fun Bundle (Quad City Botanical Center, Niabi Zoo, and Putnam Museum & Science Center). The Iowa Adventure Pass is a partnership between participating Iowa libraries, museums, parks, and other attractions. Thank you to Alexis and Megan for their successful efforts to implement this new service for our community!

Our second month of Summer Reading included many exciting activities including: 3 sessions of Tuesday morning Storytime each week, Saturday Storytime, Maker's Space Drop-in afternoon, Bat Conservation, Teen picnic and yard games, Recycled Weaving, Introduction to Purple Martins & American Kestrels, Seed Bombs with Johnson Co. Farm Bureau, Teen Poetry Day, Bee & Butterfly Houses (Lily also adopted a monarch caterpillar for our Library!), Teen Recycled Art, Ocean Odyssey: Shark Touch Tank with the National Mississippi River Museum, and Quarterly Trivia Night.

Alexis (aka "Trixie the Triceratops") and Cora represented Solon Public Library at the Johnson County Fair Kid's Day on Tuesday, July 23rd with other Johnson County Libraries. The ICPL Bookmobile and the North Liberty Book Bike were also at the fair. Library representatives passed out stickers designed by Coralville Public Library with the message: Johnson County Libraries are for Everyone.

Alexis and Lily have done an exceptional job creating unique and engaging summer programs and Communications Specialist Megan has ensured the whole community is informed about each opportunity for fun and learning at our Library. Sherri's dedication to cataloging our new items as soon as they arrived ensured our patrons of all ages had many options for reading materials to earn their prizes. Summer Library Clerks Cora and Lauran have ensured we are able to keep up with all the circulation desk check-ins/outs, shelving, and entering SRP participant slips into the READsquared

tracking database. It is truly a team effort for our staff to provide such a successful Summer Reading Program for our community. It is a joy to see our patrons' excitement and dedication to reading all summer long. These are the participation numbers as of July 27, 2024. We will have final numbers in the August report.

We will close out the month with our final Teen Tuesday Program with a movie and popcorn on July 30th. The Summer Reading Program will be completed on Wednesday, July 31st. The grand prize drawings will take place later that week. Looking ahead to August, we have several great programs scheduled. Highlights will include our 3rd Annual Dinosaurs at Dusk on Thursday, August 1st, Second Chance Crafts DIY Night on Tuesday, August 13th, and Johnson County Master Gardeners: Hugelkultur (pronounced hyoo-gul-kulture) on Tuesday, August 27th. We look forward to continuing the summer fun right up until school starts.

Sincerely,

Liz King Director, Solon Public Library

Extreme Weather Situations (Created July 2, 2024)

Johnson County Sirens will sound for extreme thunderstorm warning and tornado warnings. Scott Kleppe has a reliable weather tracking app. Contact him at 319-631-5071 for clarification of the weather warning. Many times all phones will alarm for a tornado warning in our area. KCRG weather app also has a good radar projection for local weather.

Extreme Thunderstorm Warning:

- Monitor the weather, consider canceling programs or closing early if staff or patron safety could be compromised.
- Communicate any changes to hours or programs on social media, website, email program participants, and with door signs. Door Signs are found in 22Staff/MASTERS/HOLIDAY DOOR SIGNS

Tornado Warning for Solon Area: Take shelter in the basement until warning expires

- Inform patrons that we will be proceeding to the basement to shelter in place or they may
 choose leave. If patrons cannot manage the stairs, the men's restroom is an internal
 space with no windows.
- Place the bright orange extreme weather sign (stored at CIRC 1 desk on the counter under the meeting room signs) in the front door holder on the outside of the front door
- Lock the front doors and change the LED sign to CLOSED
- Take the Emergency back-pack and flashlights from the Staff workroom
- If any patrons are sheltering upstairs in the restroom **and time allows**, move cash register bills and tip jar to the staff workroom.
- Close and lock both office doors.
- Escort patrons to the basement. If possible, do not leave patrons alone in the basement.
- Direct patrons to the storage area near the stuffed animals and history materials and away from the glass doors.
- Keep an eye on the doors to see if anyone outside needs shelter.
- Monitor a weather app for updates to determine when it is safe to return upstairs.

Due to the extreme weather Library Staff and Patrons have taken shelter in the basement.

Please proceed to the lower level and knock at the basement door if you need to shelter with us.

Solon Public Library Photographs in Library Policy - DRAFT

About Photographs in Library Policy

The purpose of this policy is to inform the public about photographs and/or recordings taken at library events or public meetings.

Photographs in the Library

- 1. Library programs or public meetings may be recorded and/or photographed by Library staff or volunteers.
- 2. Resulting photographs may appear on various print media used by the Library to advertise Library services. Photographs and/or recordings may also appear on the Library website, blog, or other social media accounts managed by the Library. The Library is not responsible for photographs copied from the Library website or social media and posted to outside sites.
- 3. Names will not be used with photographs, unless permission is received from the person photographed (or their guardian).
- 4. Attendance at Library programs constitutes understanding and acceptance of this policy. Those wishing to not be recorded should let library staff know, and every effort will be made to avoid taking or retaining recognizable images of these individuals.
