Committee Reports

- Building: Scott Kleppe reported about the hole on the south side of the parking lot. They
 filled it with gravel. The gravel was gone with the next rain. They discovered that the
 Windstream line goes through the storm pipe. They are probably going to repair the
 hole and be reimbursed by Windstream. For our parking lot slope to be brought into
 alignment with ADA compliance, Scott recommends going with the lowest bid to fix it
 and library closure will be required to fix the parking lot.
- · Finance: No updates.

King explained that there will be a new library event calendar soon that will generate monthly reports that can be shared with the Board. There are 667 readers registered in summer reading program. New participants continue to register each week. There will be a game night this Thursday.

Director's Report August 2022

In August I attended regular meetings with the City Council and the Friends of the Library. I provided a written library report for the Solon Public Library Foundation meeting in August as I was not able to attend in person. I also had the privilege of attending the 3-day ILA Leadership Institute at the beginning of the month. I am so grateful for the opportunity to learn from leadership expert Maureen Sullivan and 25 other library professionals from all over the state.

Our weekly volunteers logged over 105 hours this summer providing valuable assistance with multiple activities. We are so grateful to the 10 teens and 5 adults who assisted in multiple ways throughout the summer. We could not have accomplished our Summer Reading Program plans without them! We wish our teen volunteers the best as they begin their new school year. We look forward to continuing to work with our adult volunteers and plan to provide fall orientation sessions for new teens who wish to volunteer.

Our Summer Reading Program (SRP) ended on Saturday, August 20 and patrons were still turning in slips right up until we closed. The grand prize winners have been notified. Be sure to watch for pictures of our happy winners on our social media posts. We handed out over 400 t-shirts provided by Hills Bank, 700 baseball tickets provided by the lowa Cubs, and thousands of small prizes to eager readers and program participants of all ages all summer long. Our Dinosaurs at Dusk program with Jack Neuzil attracted dinosaur lovers of all ages and made the front page of the Solon Economist. What a privilege to work with Jack and Krishna Bharadwaj on this family program. Thank you to everyone who stayed to help us put away all of the dinosaurs. You will see that one large dinosaur friend is hanging out on our front porch after a fresh coat of polyurethane. They just didn't want to go back in the basement!

I have attached the WhoFi program summary for July 2022, a summary of our Summer Reading numbers over the last 4 years, and our library metrics tracked each month. One other success for our library was the opportunity to purchase some gently used library furniture, book carts and equipment from the Friends of Marion Public Library. I have attached a list of the amazing bargains we purchased. I am so grateful to our amazing Solon Public Works Team who helped

us transport all of our new treasures from Marion to our library. This opportunity saved us thousands of dollars compared to the list price for these items.

I am so proud of our staff for their creativity, endless energy, and enthusiasm throughout the summer. We have one week to catch our breath, and then we begin in person after school programming on Tuesdays with Teen's Your Space, and BAM POW activities for K-5 and CATS for Teens on early-out Thursdays. We added a second session of Chair Yoga on Mondays at 12:30 pm. This program is incredibly popular and we love to see new faces each week as more people realize the many health benefits to yoga. We will also continue to partner with Solon Recreation to host Family Fun Nights every second Saturday evening. We will move it inside the Community Center for the winter months, but hope the weather cooperates for outdoor fun in September and October. September is National Library Card Month, and that means it's time to get a new library card, update/renew your card or simply show us your library card when you visit to enter for a chance to win our Movie Snack Combo prize pack. Looking forward to seeing all of you in the library!

Sincerely,

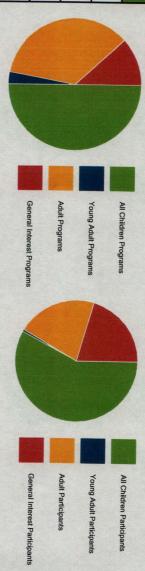

Liz King Director, Solon Public Library
