Winter Library Challenge

December 2021-January 2022

SOLON
Public Library
...where you can branch out

Library Hours:

Monday - Thursday: 9 AM-7 PM

Friday & Saturday: 9 AM-5 PM

Sunday: CLOSED

solon.lib.ia.us

Who Can Participate?

The Winter Library Challenge is designed for all ages (birth to adult) with small and grand prizes for each age group. Participate in activities and challenges at the Library in December and January. **Secret codes will be provided at each program and around the Library.** Challenge yourself and win this WIN-ter!

Track your participation online with READSsquared! Visit soloniowa.readsquared.com, or download the READSsquared app and select "Solon Public Library." (You can use the same login as you did for Summer Reading!) Enter your codes, exchange your points for grand prize raffle tickets in the app, and show your badges at the Library to claim your small prizes. **Each secret code can only be used once per participant.**

Whether you track online or via paper, all participants will be entered into READSsquared and will receive the same small prizes and chances to win grand prizes.

Paper Slips

Write the secret codes from your activities on each Winter Library Slip. Fill out your contact information and circle the age-appropriate prize you'd like a chance to win on the back. Bring your completed slip to the Library to claim your small prize and be entered to win the grand prize of your choice. Each slip must be unique: **each secret code can only be used once.** A parent or guardian must sign the back of each slip for participants school-age and younger.

All codes must be submitted by Mon, Jan. 31st. Winners will be drawn the following week and notified via email.

Winter Library Slip

Full Name: _____

Email: _____

1. _____
2. _____
3. _____
4. _____

- On the back, circle the grand prize you'd like a chance to win!
