Director's Report June 2024

In June I attended regular meetings with the City Council, the Friends of the Library, and City Department Head Zoom meetings. At the May 22nd meeting, the Solon Public Library Foundation invited our two scholarship recipients to attend. We enjoyed meeting Jamison Grimm and Kate Richards and her parents and learning about their future plans to continue their education. The Foundation's next meeting is June 26th. The Friends of the Library had a very successful Citywide Garage Sale weekend again this year. They raised \$1180 in registration fees and \$758.70 at their sale for a total of \$1938.70. They received positive feedback on their new online registration form that Megan helped them create. This streamlined the process significantly for the Friends volunteers and library staff.

We are so grateful for the grant we received from ALA Libraries Transforming Communities (LTC) Accessible Small and Rural Libraries program that allowed us to update our parking lot to provide ADA Accessible parking spots for our community. Thank you to our city public works department who coordinated the sidewalk construction project, painted the lines and installed the new signage. This work also allowed us to be an election site again. The Library is the current election location for all people who live within Solon city limits. We hosted the June Primary Election and look forward to hosting the November Election.

Our new patron printer was installed on June 18th and the process went very smoothly thanks to Megan's technology expertise and the trainer from Gordon Flesch Company. Megan was able to connect all of our devices to the new printer and had all patron computers available to the public within a couple hours of the printer delivery!

June 1st was the official start date for our Summer Reading Program: Read, Renew, Repeat. Our schedule has been packed with programming for all ages. Our Kick-off Foam party was a huge success and was enjoyed by over 260 people! To accommodate increasing attendance numbers, Lily provides 3 storytimes each Tuesday morning: 9:30 am and 10:30 am for our patrons and 11:30 am for the Lakeview Care for Kids summer program. Their special offsite storytime at the Splash Pad was enjoyed by over 100 people while we hosted the primary election in our library meeting room.

Lily has intentionally scheduled summer youth programs on a variety of days and times to provide options for everyone's hectic summer schedules. Local youth have made shrinky dinks from recycled plastic, read to Johnson County Officer Schuerer and her K9 Rudy, created fairy & gnome gardens, and cardboard construction with the lowa Children's Museum. The Mobile Planetarium program was attended by 83 people of all ages. We appreciate our partnership with the United Methodist Church to host this program in their Family Life Center.

Lily has assumed responsibility for all teen programs for the summer while we search for our next Teen Services Librarian. Teens have joined us for outdoor digital photography, a pride celebration with United Action for Youth (UAY), and will complete the month expressing their creativity through painting. Alexis hosted a basket weaving class for adults with a local expert

and will be hosting a program about Restoring Oak Forest Habitats with DNR Forester Mark Vitosh on June 25th.

You can see in the table below the number of participants already enrolled in our SRP and you can compare the numbers to June 2023. We continue to offer adults the option of participating as a Caregiver (reading picture books) and/or Adult books. Our circulation desk shifts are filled with proud readers of all ages turning in slips and collecting their t-shirts and prizes. We are so grateful for our two summer library clerks: Cora and Lauran who quickly learned our circulation desk procedures and have had a positive impact on our summer workload from their first week on our team.
